

## DEVELOPMENT OF RESOURCES IS LOGICAL POLICY

Advocated by Presi-  
dent Harding in  
Spokane Address

(By The Associated Press)

SPOKANE, Wash., July 2.—Gradual development of the nation's natural resources rather than preservation of them in their original state was advocated by President Harding here tonight as the only conservation policy to which America dare commit itself.

The president speaking on "development, reclamation and water-utilization declared against locking up the public domain as a treasure house of potential wealth on the grounds that such action would prevent it from being ready for use when needed. He made it plain that he stood for gradual development, such as the use of water both for irrigation and power and for a policy of re-forestation that preserves the national interests while permitting use of timber as needed. Mr. Harding's address in the armory here was the first he has made on the Pacific slope since he became president. He expressed the belief that "we can confidently look forward to a generation in which these young and vigorous commonwealths of the west will boast as great a population as the entire nation numbers today."

The chief executive outlined explicit reclamation program but declared "we must look for plans that are safe; plans so conceived that they will not unduly burden the settler in the days when he is reducing the land to production; plans that will be reasonably broad and that will not commit the government to unwise or unseasonable expenditures. Mr. Harding's address concluded a nine hour visit to Spokane during which he made an automobile tour of the business district, inspected the dam site for the proposed Columbia Basin irrigation project and was shown motion pictures of the Columbia Basin. After the address the presidential party left here for Meacham, Oregon to participate in the Old Oregon Trail Celebration there tomorrow.

The president spoke in part, as follows:

"It has been in my mind, during these days of travel in the west to express on some appropriate occasion a few views regarding those problems which we summon to our minds under the headings of conservation, reclamation and development. Nowadays I think there is disposition to change the order of terms and mention development first. Not that we are any less devoted to conservation but there is increasing realization that in our national development we have reached the time when wise programs for development in all parts of our domain must be encouraged.

**Impressed with Development**  
"Travelling about this country and somewhat also in other countries I have been constantly impressed that wise development of natural resources does not often result in their disastrous diminution. Rather it seems as a rule to result in a growing, an expanding, an increasing supply and variety of the very riches upon which we make drafts.

"It do not fear that present development is liable to impoverish us in the future.

"The precise contrary according to every historical analogy is what will take place. Why, you all remember that a quarter century ago so wise a man as James J. Hill was warning us that within fifteen years this country would have to import wheat. Twice that period has passed, our population has grown enormously and yet today we are producing a greater surplus of wheat than any other country in the world. Our difficulty is not to find wheat for ourselves but to find other countries that will buy it from us.

"In 1908, Mr. Bryan eloquently assured us that Gold could no longer serve as the world's money standard because there couldn't possibly be enough of it produced. Before the echoes of his oratory had died away, science had perfected new processes of gold extraction and in a few years another group of earnest people were just as solemnly warning us that we couldn't go on using gold as our money standard, because it was getting too common.

"Fortunately for us, we didn't get unduly excited by either prediction and today we find about everybody agreed that to get back on the gold basis is one of the world's greatest needs.

**MANILA HARD HIT  
BY TYPHOON**

Manila, July 2.—(By the A. P.)—One person was killed, one sailboat foundered and practically all telegraph and telephone lines outside the city were blown down by a typhoon which raged here for two days, a survey today disclosed. The weather has cleared, but communication is still interrupted.

Serious damage was done by the typhoon in the northern provinces, it is believed here. However no reports have as yet been received.

### REITERATES DECISION NOT TO FINANCE FIGHT

St. Paul, Minn., July 2.—Reiterating his decision not to assist in financing the Jack Dempsey-Tommy Gibbons fight at St. Paul, July 3, Louis W. Hill, chairman of the Great Northern railway issued a statement tonight denouncing the attitude of Jack Kearns' Dempsey's manager and the champion.

### WEATHER

Illinois: Partly cloudy and somewhat unsettled Tuesday and Wednesday, possibly scattered thundershowers Wednesday, not much change in temperature.

#### Temperatures

The current, maximum and minimum temperatures as recorded Monday were:

Life is really so serious a matter that it is a necessary relief not to take it too seriously.

PENSION FOR  
BENEFACITOR

The Canadian parliament votes a pension of \$7,500 a year to Dr. F. G. Banting, the discoverer of insulin, which is used to relieve diabetes.

This is an unusual proceeding in Canada. It would be still more unusual in the United States. Democrats are not given to pensioning human benefactors. In that respect absolute monarchs have a better record. Literary and scientific genii were supported by kings and nobles for centuries before the rise of liberty and general intelligence brought mass support for their work. Even yet society is strangely slow to show practical appreciation of the labors of men who, like medical researchers, carry on their work mainly in retirement.

It is not only that such men lack the financial rewards which a successful business man wins as a matter of course. They often lack the means whereby to carry on their chosen work for humanity. When the means are forthcoming, they are likely to come from our Rockefellers and

their kind. Canada chooses the better way.

INVESTORS MAY  
LEARN

A woman in the state of Washington wrote to the reader's service bureau of a magazine recently to ask whether there are investments "that are absolutely safe and yet yield a little more than the Government Savings Certificates." The answer was that there are such securities, and the bureau named a few. Then it went on to give the lady a little sound advice.

She and her husband had only a moderate income, but they had saved money, and had tried to invest it for themselves. They lost \$2,000 on their first two investments. Then they had asked for help.

The service bureau told them first of all to make their investments through investment banking and brokerage firms of the highest reputation. There are many such in the country, not only dealing honestly with their customers but giving generous help in the matter of investment instruction and advice. They handle issues of varying degrees of safety to meet different investment requirements, but if the moderate investor makes his needs clearly known such firms may be depended upon to recommend securities that fit the individual's case.

The query of the Washington woman shows that ignorant investors can do no learn, and its answer points to other would-be investors that there are safe and accurate sources of information on this subject.

THE CRITICAL HOUR IS  
AT HAND

These are tense, crucial hours for the Illinois Bi-Conference Movement which must be closed successfully at midnight tonight or all will be lost.

Yesterday the figures stood at \$1,131,900, leaving \$119,000 to be raised by midnight tonight.

This means a fight to the very finish. There is nothing kept back — nothing up anybody's sleeve, no hidden resources from which to draw.

The spirit of the Movement keeps up in a fine way. The workers over the entire territory are heroic in their efforts to make every hour count in these closing days. But it will require the united energies and the sacrificial giving of the last man, woman and child to reach the goal by the midnight hour.

The importance of the issue is almost beyond thinking. The real reason for the organizing of the Bi-Conference Movement with its asking of \$1,250,000 was the urgent needs of the six central Illinois interests participating in the Movement. These needs are not exaggerated — they are imperative. Failure to raise this amount would mean to these institutions almost disaster.

The battle will be won or lost at midnight tonight. Once more — this is the crucial hour. It calls for our very best service, our utmost giving.

**NOTICE**  
All union barber shops  
will be closed all day tomorrow. Open tonight.

## "DRIVEN"

From the prize story by Jay Gelzer

Maw Tolliver is the drudge in a family of moon-shining mountaineers, consisting of a husband and four sons. Their only neighbors are Paw Harden and his daughter Essie. Tommy Tolliver, the youngest son, is of a timid, retiring nature and is the butt of his bullying brothers. He loves Essie, as does Lem, the eldest Tolliver. Lem kisses Essie, and when Paw Harden calls him down Lem kills him. Essie is taken in by the Tollivers. Lem plans to marry Essie and gives Tommy a terrible beating for daring to want Essie for himself. Maw Tolliver, desirous of giving Tommy and Essie a chance for happiness she never had, sells information regarding the Tolliver hidden "still" to the "revenuers." In the fight that follows the three Tolliver sons are killed. Paw Tolliver escapes and goes home to kill Tommy, believing him the traitor. Maw holds him at the point of a gun until Tommy and Essie escape over the mountains to happiness.

## HE'S THE CHAMP

NO GIFT TOO SMALL  
FOR WOMAN'S COLLEGE

The Help of All Friends Is Earnestly Sought for This the Final Day of the Campaign

It has long been a slogan of President Harker of the Woman's college that what a college needs is friends. These indeed are the days when the friends of the college must rally about it. In fact, this is the day, for unless the \$100,000 sought for the college is completed today the larger gift from the general educational board will be lost and the college will suffer in standing.

While large gifts are needed and will be gratefully received, no subscription is too small to interest the college. Pledges are payable in six installments and there were a number of subscriptions yesterday of \$6, that is, \$1 payable every six months. Such a pledge is not at all to be despised and Dr. Harker last night laid special emphasis upon the need for smaller pledges and many of them.

"I believe the college has hundreds of friends in this community," he said, "who will gladly subscribe \$1 or more, payable every six months if they understand that pledges of this size are sought and needed."

If you have not subscribed, whether or not you have been asked, send in a subscription today. You can call the headquarters at the Pacific hotel by phone 1431. If it is easier leave your subscription at some one of the banks, the newspaper offices or at the store of some merchant. In this way the pledge will be certain to be reported and you can have the satisfaction of helping out on a day when your assistance is sorely needed.

Remains of Late W. A. McPherson Interred Sunday Afternoon — Other Items from Chapin and Vicinity.

TELEGRAM SHOWS  
BI-CONFERENCE NEED

Chapin, July 2 — Funeral services were held for W. A. McPherson Sunday afternoon at the Christian church in charge of the Masonic Lodge at Concord. Music was furnished by Mr. and Mrs. Monte Funk, Mrs. Fred Hera and H. H. Onken. The sermon was delivered by Rev. F. M. Crabtree. The pallbearers were: B. A. Cratz, J. G. Berger, C. F. Duckett, Jim Rawlings, Henry Hobbs and Mr. Hildebrandt. Interment was in Chapin cemetery.

John Onken has been in Peoria several days attending to business matters and visiting his daughter, Mrs. O. H. Coultas returning Monday.

Mr. and Mrs. L. H. Galloway spent Sunday at Farmington, guests of Mr. and Mrs. Ben Buckman.

Mrs. Minnie Coultas and T. O. Coultas of Markham and Mr. and Mrs. Eugene Coultas and three children of Jacksonville spent Sunday with Mr. and Mrs. J. L. Alderson.

Mr. and Mrs. Harold Jewsberry of Lynnville were Sunday guests of Mr. and Mrs. Henry Vortman.

W. A. Wickham of Ames, Iowa, arrived here Sunday and is the guest of Mr. and Mrs. J. Z. Fox.

Mr. and Mrs. Guston Onken and son Werner spent Sunday with Mr. and Mrs. B. H. Allen at Versailles.

Rev. and Mrs. Ritchie of Adrian, Michigan, were guests Sunday evening of Rev. and Mrs. O. W. Lough and Rev. Ritchie assisted with the evening service.

The M. P. and Christian church will hold union services Sunday evening during July, the first evening being Sunday night at the M. P. church, Rev. Crabtree of the Christian church delivering a spindly sermon.

Mr. and Mrs. B. H. Allen and son of Versailles were guests here Monday night.

Mrs. Boone Stead of Griggsville spent Monday with her mother Mrs. E. F. Antrobus.

The remains were shipped to Woodson over the Chicago and Alton yesterday evening and were taken to the home of Mrs. Louise Henry who is a sister of Mrs. Graves. The widow, Cyril Wardle and other relatives accompanied the remains from Chicago.

Funeral services will be held at the Woodson Christian church this afternoon at 2 o'clock with Dr. G. W. Miller in charge.

The remains were shipped to Woodson over the Chicago and Alton yesterday evening and were taken to the home of Mrs. Louise Henry who is a sister of Mrs. Graves. The widow, Cyril Wardle and other relatives accompanied the remains from Chicago.

Surviving are one sister, Mrs. Elton E. Killam, and three brothers: John E. Scott, Z. W. Scott and A. H. Scott, all of Jacksonville. One brother, Denby A. Scott, and one sister, Mrs. Mary A. Holmes, preceded him in death.

The flowers were in charge of Mrs. E. Glossop, Mrs. John W. Marshall, Mrs. Arthur Acom and Mrs. Albert Cully.

The following nephews of Mr. Scott served as pall bearers: Robert Scott, Albert Killam, Fred Killam, Allen Scott, John Killam and Scott Holmes.

Surviving are one sister, Mrs. Elton E. Killam, and three brothers: John E. Scott, Z. W. Scott and A. H. Scott, all of Jacksonville. One brother, Denby A. Scott, and one sister, Mrs. Mary A. Holmes, preceded him in death.

## WOMAN SO ILL COULD NOT STAND

Says Lydia E. Pinkham's Vegetable Compound Made Her Well and Strong

Glens Falls, N. Y.—"For over two months I was so sick I was not able to stand on my feet, and my husband did my housework. The doctor said an operation might be necessary. I read testimonial letters about Lydia E. Pinkham's Vegetable Compound and began to take it. Before I had finished taking the first bottle I saw what good it was doing me. I am now well and strong, doing all my work for a family of four, all my washing and my sewing, which is remarkable, as I had not dared to run my sewing machine, but had done all my sewing by hand. I truly feel that were it not for your medicine I would not be here today as my case seemed very serious."—Mrs. GEORGE W. BURCHELL, Glens Falls, N. Y.

that every woman should have.

## Safe instant relief from CORMS

One minute—and the pain of that corn ends! That's what Dr. Scholl's Zino-pads do—safely. They remove the cause—friction, pressure, heat, irritation. Thus you avoid infection from cutting your corns or using corrosive acids. This: antiseptic; waterproof. Sizes for corns, calluses, bunions. Get a box today at your druggist's or shoe dealer's.

### Dr Scholl's Zino-pads

Made in the laboratories of The Scholl  
Mfg. Co., makers of Dr. Scholl's Foot  
Comfort Appliances, Arch Supports, etc.

Put one on—the pain is gone!

## Your Baby Needs Extra Care In Hot Weather

In hot weather it is more important than ever to have baby's food exactly right. Take no chances. If you cannot nurse him yourself give him the safe food for babies—the safe food for babies.

### NESTLÉ'S MILK FOOD

For over fifty years mothers have been keeping their babies well and happy with Nestlé's even in the hottest weather. Nestlé's is a complete food—made from the milk of healthy cows. The curds have been broken up and made soft and fleecy so that baby cannot tell the difference from mother's milk. It is in powdered form and cannot sour.

**FREE SAMPLE**—If you will mail the attached card at once we will send you a free sample without charge, enough NESTLÉ'S MILK FOOD for 12 feedings and a Baby Book telling you all the things you should know about the care of your baby.

## BRIEFS

(By The Associated Press)  
KEOKUK, Ia., July 2.—In a daring daylight robbery this afternoon at 12:40 o'clock two unmasked bandits held up the foreman of the Standard Oil company's warehouse here and robbed the safe of \$500 in cash.

Decatur, Ill., July 2.—Police today announced definitely that the man killed at Freeport, Ill., in a motorcycle accident after fatally shooting Clarence F. Reup, motorcycle policeman, was not Tony Nassau, wanted here in connection with the fatal shooting of a policeman. The announcement followed a comparison of fingerprints. Freeport police had stated that the dead man resembled Nassau.

Monmouth, Ill., July 2.—The Monmouth Daily Atlas, published by Bert E. Pinkerton, has been sold to Wallace Barnes, until lately connected with the Loveland, Colo., Reporter-Herald, who took possession today. Mr. Pinkerton, who has been prominent in the Illinois State Press association and the Inland Daily Press association, will retire from newspaper work and move to Chicago. The sale price was not announced.

Akron, O., July 2.—The army dirigible C-14 arrived at Wingfoot Lake station near here, this morning, enroute from Langley Field, Va., to Scott Field, Ill. The big aircraft was to stop at Dayton to

## ACTIVITIES MANY IN AGRICULTURAL CLASSES PAST YEAR

Everything from Hog Killing to Selling High Grade Vegetable Plants Was Included—Report has just been issued by State Board for Vocational Education.

Springfield—Everything from hog killing to selling high grade vegetable plants has been included in the activities of vocational agricultural classes throughout the state the past year.

A report of the work of some of these classes, showing how they have helped the community, has just been issued by the state board for vocational education. This board is under the executive control of Francis G. Blair, state superintendent of public instruction. Carl Colvin is supervisor of agricultural education and R. N. Brown is assistant supervisor.

At Chrisman, where J. B. Frazier is teacher of the agricultural class of the Chrisman high school, the boys of the class made a soil survey of the high school district, which contains about 350 farms.

A large orchard in the neighborhood of Lawrenceville was cleaned of dead branches, and pruned and put in good condition by the agricultural class taught by J. P. George.

Testing dairy herds for butterfat production was one of the projects carried out by the boys of the agricultural class in Havana. At Colfax, Orville Bratcher, a member of the vocational class, has raised enough money in raising pigs to start himself to the University of Illinois.

A modern dairy is operated by the boys of the class at Metropolis. They built a barn for the cows, do all the work and receive all the profits from the sale of milk. This class also is operating a small poultry house and brooder coops themselves.

As soon as they learn a principle in the class room they immediately apply it in their poultry yard. The class is in charge of Herbert C. Helm.

The boys of the Gurnee high school fed and then slaughtered six hogs, receiving practical lessons in the varying effects of feeds and in the end learning something about butchering. The class at Shelbyville has installed a radio outfit and listens to lectures on agricultural subjects as part of its course of instruction.

In order to show the farmers of the district that their soil, no matter how rich, does wear out, as well as to give the boys instruction in this branch of agriculture, the class ordered a soil testing outfit and went to work. One tester couldn't make much headway testing 40,000 acres, so the boys built four more testers just like the one they bought.

Two boys were assigned to each tester, one to make tests, the other to take notes. The farmers became interested in the testing and took a hand. They asked so many questions the project became a class recitation as it went along. The class planned to make a map of all roads in the high school district and to show the results of the tests.

Growing vegetable plants for the entire community is a special feature of the work at the Eldorado high school, Ward O. Davis, the instructor reported. Starting four years ago with one small hot bed, the class now has 26 standard beds and a greenhouse 18 by 21 feet. Most of the plants are sold thru the grocers, at a 20 per cent commission.

The class at Newton conducted by G. L. Sundland, installed a fan mill and seed scoring machine which has been supplying the farmers in that community with clean seed at a low cost.

**AIRPLANE TRIP TO  
ARCTIC POSTPONED**

DETROIT—(By the A. P.)—The aerial Arctic hunting trip which a group of New York and Detroit men planned to make in a seaplane some time this month has been postponed until August. The postponement was decided upon because of the number of large icebergs reported in the north regions by the Montreal Geodetic Survey.

The seaplane Polar Bear in which the flight is to be made, is nearly completed and gasoline supplies already have been sent along the route to be followed.

According to C. F. Reddin who with Inglis M. Uppercu, of New York, arranged the trip, the flight will be over water all the way. The Hudson will be followed to Albany, thence over Lakes George and Champlain to Montreal and up the Ottawa river to the Abitibi lakes. From there the Moose river will be followed to Moose Factory and James Bay will provide the way into the Arctic circle.

The Polar Bear is to be equipped with a powerful wireless telephone that will enable the party to keep in touch with Ottawa.

Besides Mr. Uppercu and Mr. Howard E. Coffin, Harold H. Emmons, Dr. James W. Innes and William E. Metzger, of Detroit.

The trip is expected to last about a month, two weeks of which will be spent in hunting walrus and polar bears.

Mrs. Herman Shankin left this morning for Philadelphia, Penn. where she will spend several weeks at the home of her mother-in-law, Mrs. Rosa Shankin.

Interest in a picture of the children that made today, grows as they grow.

**THIRTY-EIGHT INJURED  
AS TRAIN JUMPS TRACK**

Buffalo, N. Y., July 2.—Plunging thru an open switch while traveling at 50 miles an hour, a two car trolley train on the Internatinal Railway company's Niagara Falls high speed line, bumped along the roadbed 150 feet, at North Tonawanda today before one of the cars turned over. The other was held upright by a torn rail which rammed thru the floor. Thirty-eight of the 72 passengers on the train were injured in three probably fatally.

Mrs. T. N. Rose and son Lyn-  
dell Rose were Monday shoppers  
from White Hall.

Mr. and Mrs. Charles Beepur and Miss Dorothy Brewer of Franklin were callers in Jack-  
sonville yesterday.

Mrs. James Brockhouse was a  
business visitor from Meredosia  
yesterday.

William Carey, Miss Anna Lar-  
imore and mother, Mrs. Edwards  
made up a shopping party from  
Waverly Monday.

Mrs. Carrie Bush of Exeter  
was a Monday shopper in Jack-  
sonville.

J. M. McKeene of Winchester  
was calling on Jacksonville mer-  
chants yesterday.

Mr. and Mrs. E. W. Crawford re-  
turned Monday morning from a  
five weeks' visit at various points  
in California, stopping at Salt  
Lake City on their return.

M. L. Thompson of Springfield,  
Mo., is visiting relatives in Jack-  
sonville.

Miss Bertha Whitlock made a  
trip to the city from Franklin yes-  
terday.

Mrs. Henry Savage was a Mon-  
day shopper from Virginia.

Mr. and Mrs. Finis E. Downing  
made a trip to the city from Vir-  
ginia yesterday.

Edward Drummond and La-  
Monte Drummond, of the Cald-  
well Engineering Co., made a  
business trip to Versailles yester-  
day, near where the company is  
engaged in some drainage district  
work.

William Crooks, of Arkansas,

So remarkable has been the demand for Dr. Thacher's Liver and Blood Syrup all over this state that it is almost impossible for the large laboratories to produce the famous prescription fast enough.

On all sides, every day, praise is heard for Dr. Thacher's Liver and Blood Syrup. It is declared that for building up the body and bringing strength and energy; for overcoming constipation, rheumatism, sick headaches, tor-  
pid liver, pains in back, loss of sleep, impure blood, loss of weight, biliousness, loss of appe-  
tite, dizziness, coated tongue, shortness of breath and skin eruptions, there is nothing on earth that can equal this old prescription of the justly celebrated Dr. Thacher.

Everyone who is suffering from any of the above symptoms, or who feels tired-out and all run-down, should go at once to the nearest Thacher agent and secure a bottle of this great medicine and watch how quickly they begin to feel it's strengthening effects.

There's a bottle with a money-  
back guarantee waiting for you  
in Jacksonville at the Coover  
Drug Company.

—Adv.

**Social Events****Helen Rawlings****Chapter Met**

The Helen Rawlings chapter of the World Wide Guild of First Baptist church met last night at the home of Mrs. L. T. Hauck, 741 South church street. The brief program that was given was in charge of Miss Jessie Bryant.

**Elle Ewing Circle To****Install Officers**

The Elle Ewing Missionary circle of Central Christian church will hold its annual installation party in the parlors of the church tonight. The committee in charge of arrangements for the short informal program is composed of the officers, who are: Carl Jelwberry, President; and Lois Ran- son Secretary.

**Family Reunion****At Hempel Home**

An elaborate basket dinner and family reunion was held Sunday at the home of C. A. Hempel on Oak street.

The affair was in honor of Mr. and Mrs. M. Craddock and family

of St. Louis. Music and a social time was enjoyed.

About fifty guests were present, and the out-of-town guests were: Mr. and Mrs. Thomas Craddock and daughter Florreca and Mr. and Mrs. Martin Craddock of Murrayville, Mr. and Mrs. Byron Kindred and family of Alexander.

**Opportunity Circle**

Members of the Opportunity Circle of Grace M. E. church enjoyed a picnic supper last night at the country home of Mr. and Mrs. James E. Rawlings, east of the city. Each member was privileged to bring a guest and there was quite a large attendance. A bountiful supper was served on the lawn in the early evening, the menu including a great variety of good things to eat.

After the supper there was a brief business session, followed by a social hour.

**World Wide Guild****Met Last Night**

The Helen Rawlings chapter of the World Wide Guild of First Baptist church held a regular meeting last night at the home of Mrs. Louis Hauck on South Church. Miss Edith Dawdy, president of the society, presided and Miss Jennie Rabjohns was in charge of the devotions. Miss Jessie Bryant led the program and read the lesson, which was entitled "Yesterday and Today in China." Those who assisted on the program were Miss Spires, Miss Duncan and Miss Elizabeth Long.

At the close of the program there was a very pleasant social hour, when the hostess served dainty refreshments.

Richard Finney was a city visitor from Bluffs yesterday.

**WINCHESTER WILL CELEBRATE FOURTH**

**Parade and Program has been Planned—To Unveil Douglas Tablet.**

Winchester, July 2.—An extensive program is being arranged for the Fourth of July in which a parade of decorated floats and autos will be a feature, starting promptly at 10 o'clock. At 1:30 p.m. the dedication of the Douglas tablet marking the place where the Winchester Ad Club will hold their first drawing.

All events will be held on the public square.

The funeral of Mrs. Frank Cumby was conducted from the residence of her parents, Mr. and Mrs. William Hardister at 3 o'clock Monday afternoon in the presence of a large crowd of relatives and friends, with Elder George Murray officiating.

Music was furnished by Mrs. Fred Neat and Miss Martha Higgins.

After the services at the home interment was made in the Rutledge cemetery. The pallbearers were: J. R. Simpson and George Bernard Moore, Floyd Hamilton, Frank Cowhick and Everett Gibbs.

The flowers were in charge of Mrs. Cortelyou McLaughlin and the Misses Marguerite Nadine and Frances Grove and Nora Ferris.

Miss Gertrude Deneher was called to Chicago Monday by the death of her brother-in-law Charles Abraham.

The first of the Union services was held at the Baptist church Sunday evening at which there was a large crowd present. The music was furnished by the Union choir and congregation. Reverend Bayliss opened the services with the Scripture reading and prayer and a quartette composed of Mrs. Bayliss, Claude Thomas, Mrs. W. L. Bagshaw and Miss Martha Higgins gave one special number. The Reverend Nording then delivered a very forceful sermon. The benediction was pronounced by Reverend Emmons.

The Misses Katherine Bagshaw and Martha Leach left Sunday afternoon for Peoria to visit at the home of Mr. and Mrs. R. W. Simpson. They were accompanied to Jacksonville by Mr. and Mrs. W. L. Bagshaw.

**MORGAN COUNTY FARM BUREAU NOTES**

In his most recent letter to the Farm Bureau Members, County Agent S. B. Kendell, gives the following paragraphs:

**LABOR AT BAT.**

Organized labor is having its influence in three years nor six yet we have some farmers who expect a first class farm bureau team to be made at once out of material that is not even halter broke. Farmers are not going to get anywhere without organization and are not going to break the records for speed with organization. Look up the history of organized labor. It has a lesson for the farmer.

sickle and the reel only. The reel is desirable in that it knocks the clover back out of the way. Some of our members who have used the binder for clipping, successfully, are Henry Ridgway of Aux Sable township, James Barr of Mazon township and Barrett Bros. of Maine township.

It is important that the three or four side branches be left on the stubble, for the new shoots come from these instead of from the crowns as is the case with alfalfa. Where the sweet clover is thick, higher clipping is necessary. Where in places of a thin stand the plants branch nearer the ground and can be clipped lower.

—Exchange.

**TO CONTROL MILDEW ON ROSES.**

The Farm Adviser gladly answers calls for members for this kind of service. The member knows when and for what purpose he desires a visit from the adviser. Those at the office do not. Use the telephone or a postal card and let us know your wishes and you will certainly receive a visit without delay. He will appreciate your making a farm visit a group meeting for other members.

**FARM VISITS.**

The Farm Adviser gladly answers calls for members for this kind of service. The member knows when and for what purpose he desires a visit from the adviser. Those at the office do not. Use the telephone or a postal card and let us know your wishes and you will certainly receive a visit without delay. He will appreciate your making a farm visit a group meeting for other members.

**CHINCH BUGS AND CRESOTE.**

This is the best material to use. We will order local shipments for members and the carload rate.

However, cash must accompany the order. A barrel of cresote

can be used for a variety of things if not used for fighting the bugs.

**HARVEST HANDS AND HARVEST WAGES.**

Wheat shockers will be deduced scarce. We shall do all that we can to assist members in getting emergency help, but we have not a whole regiment of good farm hands to furnish on a moments notice. Good hands have steady jobs. Wages will run from \$3 to \$4 per day for wheat shockers, quite likely near the last figure due to the publicity given this figure by an I. W. W. official.

**CLIP COMMON SWEET CLOVER WITH OLD BINDER.**

Common sweet clover that is to be left for the seed crop should be clipped about a week before the buds appear, according to Professor W. L. Bulison, of the Illinois Experimental station. It is not an easy job to clip sweet clover with a mower, however, since our members have arranged a shoe and elevated the sickle bar of the mower to such a height that the tops of the clover could be cut leaving four necessary side branches on the remaining stubbles. Some have fair success in keeping the growth of common sweet clover down by pasturing, although this does not prevent there is a difference in quality.

**TON LITTER NEWS.**

There are over 500 entries for the state. Morgan county has had 21 litters nominated. Champaign County reports 10 Tamworth's that weighed 910 pounds in 90 days.

**WOOL POOL.**

We are not talking wool pool for we know it is impossible to get a car load at one place in Morgan county. Without we can get enough for a car load the transportation charges cut into the price received so there is little joy in the game. If you wish to consign directly to the pool, ship it to the National Wool Warehouse and Storage Company, 3900 S. Robey St., Chicago, Illinois, care of the I. A. A. If you do not direct as indicated there will be a heavy drayage charge. The cost of grading, handling, storage, insurance, etc., for the first five months is 24 cents per pound. The association makes a charge of 4 of a cent per pound. Possibly the most successful method of clipping yet devised is by means of a grain binder, removing the platform and gearing the drive chain so that it will run the

**WOOL AND BLANKETS.**

The wool pooled this year will not be credited against blankets. However the I. A. A. has a number of blankets on hand which it will ship promptly on receipt of the order.

**COMMISSION ASSOCIATION.**

This organization has added a sheep department with a special salesman. If buying or selling sheep on the Chicago market, we recommend you patronize the firm organized for you.

**THE ANNUAL PICNIC OF THE I. A. A.**

Will be held at the Crystal Lake Park, Urbana, June 29th. Plan to drive over June 28, inspect the College of Agriculture, take in the picnic and then return June 30th. The trip will be worth while. Take the entire family. June 28, 29 and 30 are open house days at the College of Agriculture. Take in the picnic and visit the U. of I. at the same time.

**BLUE PRINTS.**

We can get blue prints showing plans of barns, hog houses, poultry houses, poultry equipment, toilets, fence posts, forges and farm houses, implement sheds, hayracks, septic tanks, sanitary fixtures. The most of these will cost 10 cents per sheet. Come in, look over the list, if you expect to build a shay along the line indicated.

### SPECIAL AGENT DAILEY MURDERED

Word has been received in Jacksonville of the mysterious murder of James Daley, chief of special agents of the Chicago & Alton railroad. His body was found in a box car in the Bloomington yards with bullet holes in it. Nothing is known as to the manner in which he met his death but it is said he was last seen in Joliet where he warned a shipper of horses to be very careful, as there were probably some desperate characters aboard the train.

Mr. Daley is very well known around Jacksonville as he was originally assigned to this territory with his road and came very much in contact with the Jacksonville police force who were very much shocked to learn of his tragic death.

We will give double coupons on all accounts today and Wednesday until noon. LaCrosse Lumber Co., Woodson, Ill.

### VISITING HERE

Mr. and Mrs. Tim Riley, of Springfield are visiting at the home of Mr. and Mrs. E. J. Howe, 749 East Chambers street.

Pledges to the Woman's College campaign are payable in six semi-annual installments and can be spread over a longer period. If you can give \$1 or more your help will be appreciated. Call headquarters at the Pacific hotel or leave your subscription at one of the banks or newspaper offices. This is the final day and your aid is needed.

## ALL READY FOR FINAL CAMPAIGN DRIVE

Workers Will Make Supreme Effort Today — Yesterday's Reports Brought Total of Subscriptions to \$57,500—Special Effort Made to Secure Hotel Stock.

Just about \$42,000 must be raised in Jacksonville and vicinity today to make certain of the Woman's College campaign for \$100,000. Two conferences of workers were held yesterday, and at noon at the Pacific hotel and the other at the same place at 6:15.

Reports were made at both conferences. It was in the evening that announcement was made of \$13,675 pledged by Jacksonville people about two years ago when the present campaign began, which can properly be credited on the total now. These earlier subscriptions brought the grand total to date up to \$57,500.

### Subscriptions Reported.

The contributions reported by teams were:

H. M. Andre .....	\$240.00
Dr. A. B. Applebee .....	\$15.00
F. J. Blackburn .....	\$2,589.00
Edward Brennan .....	\$200.00
T. A. Chapman .....	\$550.00
John W. Larson .....	\$995.00
C. Y. Rowe .....	\$830.00
Harlan Williamson .....	\$250.00
Specials .....	\$44.00
Vicinity .....	\$1,063
High campaign coll. ....	\$13,675

Day's total ..... \$20,779

Previously reported ..... \$36,730

Grand total ..... \$57,509

Among other subscriptions reported was one from Mr. and Mrs. Andrew Russel for \$1,000. Mr. Russel hoped to be present, but a telegram from him making the pledge was explained that he was detained in Springfield, as his entire office force is busy getting out the soldiers' bonus warrants, the first installment of which will be mailed today.

At the evening conference E. E. Crabtree, chairman of the executive committee presided and it was made clear that the special purposes of the conference were to impress the fact of the crisis and to provide for special solicitation of persons who have subscribed to the hotel campaign.

### Will Save the Day.

M. F. Dunlap was asked to outline the committee's idea with reference to the plan to secure additional subscriptions. In this way, Mr. Dunlap made reference to the public spirit of Dr. Parker and the assistance that he gave in the hotel campaign and in other public affairs and then went on to express his belief that the securing of hotel subscriptions to transfer to the college will save the day.

Then every one of the 75 or more people present agreed to do some special soliciting work today and cards were distributed showing the names of hotel subscribers and the amount of stock belonging to each. These special solicitors will get busy this morning and the firm belief is that the campaign will be closed successfully by midnight.

### Earlier Subscriptions.

The list of subscriptions given two years ago at the beginning of this campaign to raise \$500,000 and which are now included in the Jacksonville total is as follows:

Andre & Andre .....	\$1000.00
Armstrong, Mrs. C. est. ....	\$50.00

## HOWITZER COMPANY DRIVE FOR MEMBERS

Will Endeavor to Recruit Company to Full Strength for the Encampment at Rockford September 1 to 15.

The local Howitzer Company has begun a drive for a larger membership before the annual encampment which will be held at Camp Grant from September 1 to 15 inclusive, two recruits having been accepted Monday night.

At present the membership is rather low on account of so many members being out of the city and it will be necessary to obtain at least 15 men for the company to make the proper showing in camp against the other companies.

The full 130th infantry regiment will be in camp and recruits are offered not only this two weeks trip at regular army pay with all expenses paid but they will have the benefit of the social times in the home army during the winter months, target practice, instruction in military tactics and calisthenics and on top of all this will receive regular army pay for their drill nights.

Regular drills are held in the armory on E. State street every Monday night from 7:30 to 9:30 o'clock and Captain James would like to interview any who are between the ages of 18 and 45 who may be interested, single men preferred. Applicants should apply on regular drill nights. The period of enlistment is one year for ex-service men and three years for new recruits.

Captain James has requested all men now enlisted to appear for all formations now has practically full equipment and can very well take on as many recruits as may care to enter the state service.

### PROBATE COURT

In the estate of James C. Gillham, the petition of Margaret Grace Gillham for letters testamentary was approved.

In the estate of Thomas McBride, the inventory was approved and the petition to omit appraisal allowed.

The report of Wilhelmina Cheek and Mary Knollenberg as executors of the will of H. H. Knollenberg was approved.

The report of Thomas Hanning, administrator of the estate of J. F. Winner for the sale of real estate to pay debts was approved.

In the estate of Margaret Crouse, petition to omit appraisal was allowed.

Letters of guardianship were issued to Frank Waffell as guardian of Earl Waffell.

In the estate of Henry Rayborn, the hearing of the will was fixed for July 21.

In the estate of Russell H. Eyre, the petition to omit appraisal was allowed.

In the estate of John Hohmann, widow's relinquishment and selection was approved.

The report of Vada Osborne as guardian of Margaret Osborne was approved.

Petition to omit appraisal was allowed in the estate of George A. Taylor.

The report of the commissioners of Coon Run Drainage district was filed and hearing set for July 16th.

FRED BRAY VISITING

### PARENTS FEW DAYS

Fred Bray, Illinois college '26, and now of Medicine Bow, Wyo., is spending a few days at the home of his parents, Mr. and Mrs. Henry S. Bray, of South Prairie street. The young man is now cashier of the Stockmans Bank at Medicine Bow. He will leave for the west tomorrow night.

### BURGLAR SCARE

The residents in the vicinity of the Dalton store on South Church street telephoned to the police Sunday night that a burglar was attempting to enter that store but when the police arrived they found George Miller, colored, parked in back of the high board fence in the rear of the store, evidently very cool, as he was clothed only in his "unies."

He was brought to the police station and clothing given him more in keeping with the temperature and was there locked up on a disorderly conduct charge.

### ENTERTAINED AT DINNER

Mr. and Mrs. Daniel Burke of Murrayville entertained a number of friends at dinner Sunday, the company including Mr. and Mrs. Leo Lahey, Literberry; Mr. and Mrs. William Casey and children, John, Daniel and Mary Catherine of Woodson; Mr. and Mrs. McGuire and children, Jack and Vena Louise of Jerseyville.

Fried chicken and all sorts of other good things to eat were included in the menu and the feast was greatly enjoyed by all present.

### CARD OF THANKS

I wish to thank the friends and neighbors for the many kindnesses shown during the illness and after the death of my husband.

Mrs. Samuel Lee.

### LICENSED TO MARRY

Lee J. Spaulding, Jacksonville; Margaret Johnson, Jacksonville.

### ICE COOLED CANDY

Summer time is trying time for candy, but our new ice-cooled candy case keeps chocolates and all other candies as perfect as the day they were made. Call and inspect it, and try a pound.

GILBERT'S PHARMACY  
35 So. Side Square.

## INTEREST SHOWN IN MATINEE RACES

Large Fields Make It Difficult to Predict Winner—Arrangements to Park Autos in Center Field

Interest in the horse races at the fair grounds tomorrow afternoon is reaching a tense stage as the time limit for entries to close draws near. Speculation as to probable winners and the possibility of dark horses is being made between veterans of the track in many friendly groups around the city today. The great number of entries in the races make it hard to pick any certain one as the outstanding racer, and the late time limit for entrances makes it possible that some unexpected horse might be entered and cop off the heats, upsetting the dope bucket entirely.

Everything promises that the races of tomorrow will reach the old fashioned style, in attendance and interest as well as enthusiasm. Several of the veteran drivers and riders have been with their mounts on the fair grounds since early spring, camping on the grounds and working out daily. Jacksonville race followers have had a great opportunity to watch these horses perform, but the possibility of a last minute entrance of an outsider, keeps their opinions well hidden beneath a mask of innocence. A crowd of over 5,000 people is expected to be in attendance, coming from all surrounding counties for a gay Fourth.

The groom is a graduate of the College of St. Stephen-on-the-Hudson and served thru the war as a lieutenant in the navy aviation corps. Since leaving the army he has been in the Bureau of Internal Revenue with offices in Washington.

FOLLOWING the ceremony the young couple left for a wedding journey to Atlantic City, Boston, and Cape Cod, Mass., where the family of the groom has a summer home. Mr. Reining will leave July 15th for Seattle, Wash. and Mrs. Reining will follow soon after. The young couple will make their home there.

### NOTICE I. O. O. F.

Funeral of Bro. F. A.

Moseley will be held at 4:00

P. M. today at the residence

413 N. Prairie Street.

## ALL IN READINESS FOR FOURTH IN WHITE HALL

Preparations for Great Celebration  
are Now Complete — Supreme Justice Thompson  
to Speak—Other White Hall News Items.

White Hall, July 2.—The final booster trip in the interest of the Fourth of July dedication at White Hall was conducted last Friday afternoon by citizens occupying twenty-two automobiles under the supervision again of W. P. Lindsey, the well known hotel proprietor. The trip covered 105 miles, the route embracing Hillview, Patterson, Glasgow, Alsey, Winchester, Jacksonville, Woodson, Murrayville, Manchester and Roodhouse. The start was made at 1:40 p. m., and the party was back in White Hall at 7:40 p. m. Much interest was evidenced everywhere, and it seemed unavoidable to steer clear of Winchester, where the observance takes on a dedication and memorial feature that is bringing forward a renewed interest in American history, ideals and great personages that is taking the present generation back to the spirit of '76.

Henry Moore, the colored barbecue cook, and his three helpers will arrive from East St. Louis Tuesday noon to dig the trench on Gregory Park and get the beef, pork and mutton under preparation for the multitudes. Six beavers, seven porkers and an undetermined number of sheep will be slaughtered. Mr. Moore will be 84 years old August 10th, and has barbecue'd 61 years.

The banquet Tuesday evening in honor of Supreme Justice Thompson is receiving increasing interest, and it is estimated that 200 will be seated at the banquet tables in the basement of the new First Baptist church, which is to be elaborately decorated. Judge Henshaw will preside, and the principal address will be by Judge James M. Riggs of Winchester.

*The Best Place to Trade After All*

Letters from prominent personages over the country are already arriving in testimony of the striking program that the banquet heralds.

The parade and barbecue on the 4th will be followed by exercises on Gregory Park in rededicating the lives of the present and future generations to the principles of the War of the Revolution and the men who participated in the important epoch in the world's history. Judge Norman L. Jones will preside, and the principal address will be made by Supreme Justice Thompson.

This will be followed by general festivities throughout the remainder of the day, including a fireworks program on a scale the like of which has never before been seen in this section of the state. This alone will occupy one hour and fifteen minutes, opening with a welcome, the Stars and Stripes, and an aerie and electrical display, some of the set pieces being a solid wall of fire 30 feet high and 75 feet long.

The thirteenth Revolutionary grave in Greene county has been located in Patterson township for marking, it being that of William Cotter, great grandfather of Lee Coates of Hillview, and his military papers will be on display in Dossel's window.

A question has arisen as to policing the grounds, which are located outside the city limits. City Marshal Tatman will cite the case of a Greenfield marshal making an arrest in connection with a county gathering just outside the city limits of Greenfield a number of years ago, and the party arrested caused the marshal an expense \$600 in fine and expense. In the present case Sheriff Conlee has refused to furnish deputy sheriffs. It has resulted in a petition being circulated for presentation to Sheriff Conlee citing the status made and provided in such case, and stating that no less than 10,000 people are expected to be assembled on Gregory Park.

Important Conference.

White Hall, July 2.—Mayor H. W. Roodhouse stated that the conference with representatives of the Central Illinois Public Service Company is not to be taken as abandonment by the city of plans for the issuance of bonds in the amount of \$45,000 for the installation of a municipal electric plant. The company had asked for an informal conference with the city officials some time ago, and this was granted at the last meeting. At that time the impression was given that the conference was to be in executive session, and nothing more in a general way was paid to the matter.

The representatives came last Friday and held the conference that night. There was a large number of citizens in attendance invited by the C. I. P. S. Co. people. These citizens largely are opponents of the municipal idea and the impression has erroneously gone out that the city is about to abandon the municipal plant. Instead the city will hold another conference to give an airing of the municipal plant plans and advantages.

Mayor Roodhouse states that he would be the last citizen to promote the municipal idea if he thought it was disadvantageous to the best interests of the city, and his mind has not changed the least because of the presentation of the views of the C. I. P. S. Co. representatives, as nothing was offered by them in the way of rate concession or other advantages.

The company is rather using the opportunity to secure a long term franchise from the city that the mayor is opposing steadfastly. He cites the item of pumping alone by the experience of the drainage district commissioners in determining that steam pumping costs are hardly more than one-fourth as much as electrical pumping, resulting in discarding the electric pumping by the Hillview commissioners except as emergency equipment. The C. I. P. S. Co. is receiving a total revenue of about \$60,000 annually from the city of White Hall, and they could afford to expend as much as \$50,000 in order to retain a hold on White Hall.

June Weather Report.

White Hall, July 2.—The monthly report of R. B. Pearce, co-operative observer of the weather bureau, gives the following summary:

Temperatures—Mean maximum 84.6 degrees, mean minimum 62.6, mean 73.6. Highest 98 on the 23rd, lowest 47 on the 29th and 30th. The mean temperature was only six tenths of a degree above normal.

Precipitation—Total 6.65 inches; 1.04 inches less than normal. There were nine days with precipitation of 0.01 inch or more, eight clear, fourteen partly cloudy and eight cloudy days. Thunder storms occurred on nine days, but without a measurable quantity of rain on three days. The total rainfall since January 1st this year is 14.18 inches. The same period last year showed 24.93 inches. There has been a deficiency in rainfall since May 1st, 1922, but there has become less concern over a failure of the city reservoir supply.

Wheat cutting is in full blast, and threshing will be well under way in another week. Crops were considerably blown down by wind on the 27th and 28th. Crop conditions in a general way are excellent.

Former Resident Weds.

Word received today announces the marriage of Howard William Hailey and Miss Clarice Doyle at Colorado Springs, Colo. The bride is the daughter of Mr. and Mrs. Arthur Lee Doyle. The groom is the son of Rev. and Mrs. W. M. Hailey, formerly of White Hall and later of the Barry Record. He graduated from the White Hall high school and then took up journalism by taking a course at Columbia, Mo. He was connected with various publications and saw foreign service during the World War. Three years ago he became connected with the

Denver Record Stockman as field man and special writer, in which capacity he has made distinct success. His decision to become a journalist came as a young man in White Hall while doing a line of clerical work with the old White Hall Republican. The wedding took place June 28th.

Has Shoulder Fractured.

Harry Hatcher, aged 16 years, son of Richard Hatcher, residing one half mile west of Patterson, is in Walton hospital with a fracture of the left shoulder and minor injuries received Sunday morning. He was riding a horse and was thrown from the saddle, a foot, catching in a stirrup, and he was dragged some distance before the animal was stopped and then the horse stepped on his left shoulder causing the fracture. Dr. J. R. Jarman took charge of the case and stated that the fracture would be reduced today.

The morning bracer—NEW MOON COFFEE

## CONCORD

Mr. and Mrs. R. G. Thompson of Jacksonville were visitors at the home of Mr. and Mrs. W. H. Williamson, the latter part of last week and over Sunday.

Miss Caroline Johnson and niece, Mrs. Adella Cooper and son, Edgar of Chapin visited at C. O. Bayless's the week end, returning to their home Monday morning.

George Brunk was taken to the Passavant hospital Friday morning for treatment.

Mr. and Mrs. Austin Smith are the proud parents of a daughter, born July 2.

Mr. and Mrs. A. W. Petefish and son Dewey of Litterberry were visitors at the home of M. O. Smith Sunday afternoon.

Mr. Elmer Smith was called to Waverly Saturday evening by the death of her mother, Mrs. Stewart which occurred at six o'clock p. m. The funeral will be held at the home in Waverly Tuesday afternoon and burial in the Arcadia cemetery.

Jacksonville business callers Friday were Mr. and Mrs. Fred Ginder, Belle Goodpasture and granddaughter, Mrs. George Brunk, Rev. Mr. and Mrs. Hilburn and M. O. Smith, Mr. and Mrs. W. H. Williamson.

Rev. Mr. Richie preached at the Methodist Protestant church Sunday morning at 11 o'clock and also at Grace Chapel in the afternoon.

Rev. E. L. Pletcher, district superintendent visited the M. E. church Sunday evening.

W. F. Deterding is making preparation to erect a residence on his property in the west part of Concord.

Miss Mary Bayless of Jacksonville is visiting relatives at Concord.

JUDGE JOHN C. RICE  
LOST WIFE SATURDAY

A. C. Rice received a telegram Sunday announcing the death Saturday evening of Mrs. John C. Rice, wife of Judge Rice, at her home in Caldwell, Idaho. She was before her marriage Miss Maud Beshears. She had been ill for many months. Judge Rice, a brother of A. C. Rice, was until quite recently a justice of the Supreme Court of Idaho. Mrs. Rice is survived by her husband, two sons and three daughters and one grandson.

CAPT. JAMES HOME

FROM CHICAGO TRIP

Captain Wesley R. James, commander of the local howitzer company returned Saturday night from Chicago where he went last Thursday to attend a convention of all the officers of the 33rd Division which includes all of the National Guard forces in Illinois the convention being held on board the U. S. S. Commodore at the foot of Randolph street in that city, on Friday.

The business session was held beginning at 10 o'clock in the morning and after the business session an elaborate dinner was served at 7 o'clock in the evening to an unusually large crowd.

WILL ENTER NURSES TRAINING SCHOOL

Miss Louise Trahey, daughter of Mr. and Mrs. James Trahey of Hardin avenue, who has for the past three years been employed in the offices of State's Attorney Carl E. Robinson has resigned her position and will leave today for a summer's vacation at Pentwater Michigan, after which she will enter a hospital at Evanston to take a course as a nurse. Her sister, Miss Bernadine Trahey is now in the nursing service having finished her course.

ELLIOTT STATE BANK  
Savings Deposits made  
during the first TEN days of  
JULY will bear interest  
from the FIRST of the  
month.

GUEST RETURNS HOME  
Mrs. N. J. Hvistendahl, who has been visiting for the past month with her sister, Mrs. H. L. Caldwell at her home on West College avenue, left Sunday for her home in Sioux City, Iowa.

## RECEPTION FOR NEW PASTOR AT ASHLAND

Reception Given for Rev. and Mrs. William M. Goodall by Baptist Congregation—Other Ashland News Items.

Ashland, Ill., July 2.—The Ladies of the Baptist church gave a reception Saturday evening in the church in honor of the new pastor and his wife, Rev. and Mrs. William M. Goodall who recently moved here from Alton, Ill., and are now occupying the Baptist parsonage. A pleasant social evening was enjoyed and light refreshments were served.

Mrs. Bessie Rea is visiting her sister, Mrs. John Akers.

Mr. and Mrs. John Blakeman and daughter Adelia spent Sunday with Mr. Blakeman's mother, Mrs. N. J. Blakeman.

Mrs. Alfred Bracewell of North Dakota is visiting her aunt, Mrs. Amy Whewell.

Bodie Greenwalt and Harry Gidney, Orval Kelley and June Alred went to Arenzville Sunday afternoon where they played ball with the Woodson team against Virginia. The game resulted in a victory for Woodson, the score being 10 to 8.

# LATEST NEWS OF THE SPORTING WORLD

## MURRAYVILLE GAME HAS BEEN POSTPONED

## INDEES DOWND THAYER TEAM 8-3

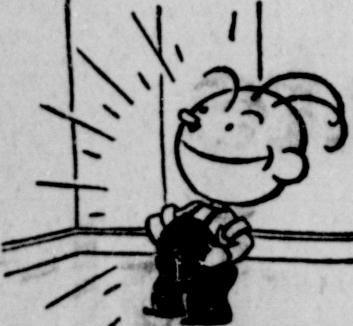

The game scheduled for the 4th with Murrayville has been postponed on account of allowing the fans to attend the races at the fair grounds. The game with Murrayville will probably be played on Sunday the 15th instead of the game scheduled with Hartsville.

On next Sunday the Springfield Knights of Lithuania, who have lost but two games this season, will show their wares, but if the Indeeds keep going as they have for the last two games, it will have to be some team that can even slow them up. For our home boys are surely showing some of the most wonderful playing that has ever been seen on semi-pro lots in Jacksonville right now and any who have missed the last two games have missed something really good.

## HUMAN FISH

Ira Fanning Put Indian Sign on  
Visitors—Locals Hit Hard and  
Played Snappy Game in Field.

Ira Fanning had the Indian sign on Thayer in the game at South Side park Sunday afternoon. With the exception of the first inning when some bobbles by the locals and a scratch Texas leaguer which Kohloff could not quite reach he had them helpless before his benders.

Good support was given Fanning by the Indeeds. DeFrates at third played a brilliant game, as did Kohloff at second. Fanning also fielded his position in fine style and hooked a liner with his gloved hand off the bat of Boyd in the sixth with one man on that was tagged for extra bases.

The Indeeds found the offerings of Evans and Vivian to their liking. Massinkoff and Wheeler had perfect records at bat. Massinkoff got three hits, a triple, double and single and all were solid blows. Wheeler got a single, walked once and had three sacrifices to his credit. DeFrates also hit the ball hard, getting a double and a single and losing another extra base blow when R. Littlejohn pulled down his line drive in deep center.

For the visitors Wilson at third played a brilliant game and got two hits off of Fanning. Boyd at short also did some good fielding and R. Littlejohn's catches of line drives off of Christopher and DeFrates, and his running catch of French's long fly were nifty bits of fielding. The score:

## COACHES MIDDIES

## CHICAGO

July 2.—Cincinnati

came from behind and after being

held to two hits for six innings,

launched two vicious attacks

against Grover Alexander and

drove him off the mound in the

eighth inning winning the first

game of the series from Chicago

today 9 to 8.

# *Make This Midnight Mark a New Era For Illinois Woman's College*

The hours are numbered. \$42,491 remain yet to be raised to complete the \$100,000 unit from Jacksonville for Illinois Woman's College.

- **Tonight at midnight this Movement must be completed—\$500,000 must be raised at that time for Illinois Woman's College or all will be lost. Its \$133,000 conditional gift from the General Education Board will be lost.**

There is only one alternative—THIS MOVEMENT MUST SUCCEED.

Jacksonville will get under this **enterprise of opportunity**—this opportunity of **enterprise**.

The success of this Movement means expanding and strengthening

the Woman's College—an enterprise which puts into Jacksonville's varied forms of business thousands upon thousands of dollars every year; which brings numbers of other residents to the City who contribute to its commercial prosperity; an investment which means in so large a way intellectual, spiritual and social uplift to the City.

A pledge to Jacksonville's \$100,000 unit for Illinois Woman's College is an investment.

\$400,000 from the outside for permanent endowment; \$100,000 from Jacksonville to apply on a new building.

Think, talk, work, LIVE \$100,000 for Illinois Woman's College until midnight tonight!
